The Honorable Commissioner of
Patents and Trademarks
Washington, D.C. 20231

Dear Sir:

Please cancel claim 48 and enter the following amendments:

43 (Once Amended). An adapter for converting recorded data on a disk device to electrical data for wireless transmission of the contents of said recorded data to a storage device, said adapter [comprising an adapter body, said adapter body further] comprising:

a. an adapter body sized to be inserted in a disk drive;

[a]b. an insertion port formed on said body for receiving said storage device;

[b]c. a reader head on said body [capable of] for reading said recorded data;

[c]d. a memory on said body for receiving the contents of said recorded data;

[d]e. a wireless transmitter on said body [capable of] for receiving electrical data and transmitting said electrical data in a wireless signal; and

[e]f. a processor on said body [capable of] for converting the contents of said recorded data into electrical data which may be transmitted through said wireless transmitter.
